A window of opportunity

KONE Scenic lift solutions combine proven technology and inspiring car designs to create lifts that are attractive and spacious, and which give you the opportunity to showcase your building.

Scenic lifts include glass car walls and glass hoistway, and are used in a wide variety of environments, from office buildings, hotels, and retail centers to transportation hubs and cruise ships.

Note:
🌱 LEED/BREEAM

KONE provides innovative and eco-efficient solutions for lifts, escalators, automatic building doors and the systems that integrate them with today's intelligent buildings. We support our customers every step of the way: from design, manufacturing and installation to maintenance and modernization. KONE is a global leader in managing the smooth flow of people and goods throughout buildings. This makes us a reliable partner throughout the life cycle of buildings. We are fast, flexible, and we have a well-deserved reputation as a technology leader, with such innovations as KONE 24/7 Connected Services and KONE UltraRope®. KONE employs over 63,000 dedicated experts to serve you globally and locally.
